

GENESIS
CRAFT

Quality Built Aluminium Plate Boats and Welded Aluminium Trailers

WHY CHOOSE GENESIS CRAFT?...

Established in 1999, Genesis Craft are at the forefront of the aluminium plate boat industry. We have worked hard to build a reputation for manufacturing a high quality craft with a finished product that we believe is one of the best on the Australian market today.

Though our boats are primarily seen as fishing craft, they are really the great all-rounder. We have a range of designs and a variety of choices available to ensure versatility for both commercial and recreational applications. We can customise to suit a range of uses such as diving, water sports, island trips and river cruises, camping aboard, crabbing, cray fishing... the list goes on and we are committed to working with you to ensure your boat meets your needs.

Manufactured with superior strength and the toughest marine grade materials, coupled with an underfloor structure that boasts incredible strength and durability, our hulls come backed with a 5-year manufacturer warranty and are built to handle even the toughest conditions.

Genesis Craft is a family owned and operated business with all our craft being manufactured in Western Australia. We are committed to supporting local business and the financial stability of our great state. Keeping our work in WA also ensures we have the control to oversee that our boats are manufactured to the highest quality with an attention to detail second to none.

Our team is passionate about building your dream boat whilst maintaining a high level of professionalism along with competitive prices.. You have the comfort of knowing your boat is being constructed by qualified and passionate boat builders with years of industry experience and knowledge. The advantage of dealing factory direct also means you get to deal with the owners of Genesis Craft themselves, who have a vested interest in making sure our customers are satisfied.

We encourage you to view your boat during the build process and engage in personal meetings with associate trades when deciding colour choices and any other ideas you may have. This helps to ensure we build your boat just the way you imagine it.

The most notable part about Genesis Craft is simply the fact that we know our product. We've used them ourselves, tested them in the conditions of our WA waters and fine-tuned the design to give you an unmatched balance of stability, control, comfort and safety - focusing on the finer details and refining them to truly provide the best aluminium plate boat you can own.

At Genesis Craft, we have a passion for boats. We love working with our customers to build their dream boat and customising to suit a specific budget or need. So don't hold off any longer, contact us to discuss the creation of your very own Genesis Craft and indulge in a healthy boating lifestyle today.

OUR RANGE...

The Genesis Craft range is available from a comfortable 4.4m tiller to an impressive 12m fishing machine. Each boat can be customised to your individual needs with a huge range of variations and extras available. Our welded aluminium trailers are available in models 2 - 10T and provide the perfect on and off-road transport option for your vessel.

As fully qualified aluminium welders, Genesis Craft don't stop at boats and trailers... gates, tool boxes, car roof racks, you name it - if its aluminium fabrication you are after, we are more than happy to help.

Aluminium Trailers

SPECIFICATIONS...

Freeboard Heights:

4.8 - 5.0m = 600mm standard, 650mm XL

5.2 - 6.0m = 650mm standard, 700mm XL

6.1m+ = 800 mm XL sides standard

Raised gunnels add 50mm to freeboard heights

Beam:

Standard 4.8 - 5.0m = 2.35m

Standard 5.2 - 8m = 2.49m

Wide series: 7.0 - 8.5m = 2.5-2.7m

Extra wide series: 7.5 - 9.5m = 2.9m

Deadrise:

5.5 - 6.4m = 15 degrees (variable to 17)

6.5 - 7.5m = 16 degrees (variable to 17.5)

7.5m+ = 16 degrees (variable to 18)

Most boat users want a smooth cut through the wave with control, dryness, comfort, safety and stability at rest. At Genesis Craft we've tried and tested our hulls over West Australian conditions and found the specifications we use to work best in giving you a good balance of all.

Our downward facing spray rails are very effective at creating lift, helping the boat get up on the plane easier, as well as throwing maximum water downwards so the wind doesn't blow it back at the boat, making a drier ride. If the spray rails aren't your thing, we can manufacture all of our hulls with reverse chines if this is what you prefer.

Our boats are all configured with one of the finest entry points on the market to provide that nice cut through the water and whilst we may have a standard rear deadrise, if you would prefer to run with an even more improved cut through the water (you will sacrifice a little stability) then that is achievable as our hulls all have a variable deadrises up to 18.5 degrees.

Want to know more? Contact us to speak with one of our experienced boat builders and skippers.

Please note, due to the nature of hand crafted Aluminium Boats, Genesis Craft advises that small variances in measurements on completed products are reasonably foreseeable, however, every effort is made to ensure compatibility of products.

STANDARD HULL FEATURES:

The Genesis Craft standard hull comes with everything you need in a quality boat. Our base price includes a heap of essential features to ensure you don't need to add, add, add to the price to get your boat onto the water. Of course we have a large range of variations an extras available and are more than happy to customise your craft with everything you want, but it is not necessary as our standard hull provides more than enough to get you into your very own, great value Genesis Craft today. See the following pages for standard hull features of each model.

WARRANTY:

All our hulls come backed with a 5 year manufacturer warranty.

SOME IMPORANT POINTS:

- *Our quoted lengths are hull length, length of the boat from nose (minus the bow sprit) to bung.*
- *Build time is approximately 12-18 Weeks from start date, depending of course on your hull size and the amount of extras added.*
- *Due to the detailed nature of custom building and being a small, personalised business, we only have a few boats under production at a time. This ensures we can give the upmost attention to each of our clients.*
- *Your start date depends on how many orders in front of yours. A signed contract to purchase and deposit payment secures your place as next in line.*

BASE PACKAGE...

Our base package prices include a range of important features required to launch your boat. The only thing you really need to add is a GPS/Sounder. We do not include one in our base prices as every customer has a different preference or opinion and this way we can customise to suit your needs and budget. We can quote to supply and install any brand, or you can provide your own for us to fit. The nature of custom building means you can add or take off whatever features you like, until we arrive at the boat, and the price you are happy with.

Our base package includes the following:

- ✓ Genesis standard hull features
- ✓ White 2-pack paint from chine up with grey fleck to inside. Unpainted bow, rear and side hand rails, ladder, gunnel and rear buff rails
- ✓ Non-skid paint to upside areas (marlin boards, steps, side gunnels, for-deck, ladder rungs)
- ✓ Genesis branding stickers
- ✓ Perspex windscreen
- ✓ Dash mat and carpet deck, over-locked & glued down
- ✓ Upholstered driver and passenger seating
- ✓ Upholstered cabin cushions on Islander & Cuddy
- ✓ Galvanised, licensed, multi roller trailer
- ✓ LED Navigation Lights and anchor riding light
- ✓ 27Mhz Radio + 1.8m aerial with fold-down base.
- ✓ Offshore Safety Gear (4FPDs, Flares, Sand Anchor Rope & Chain Kit, EPIRB)
- ✓ Auto bilge pump on boats 7m+
- ✓ Motor fitted with hydraulic steering and dual batteries (1 x start + 1 x deep cycle house) with DVSR. Steering wheel, switch panel etc.
- ✓ New boat registration plus x1 pair rego. Stickers

Basic graphics package as per the designs above also available.

Centre Console

Available in sizes ranging from 4.80 to 9.50 metres

The Centre Console configuration is popular for the serious fisherman. Allowing easy access to all areas of the hull, it is perfect for reeling in those big fighters. Stability at rest is top of its class and this little beauty doesn't require a flooded hull to achieve it. Traditionally a very wet style of boat, the Genesis Craft Centre Console design is surprisingly dry and comfortable.

STANDARD HULL FEATURES:

- ✓ 4mm bottom plates on models under 5.2m, 5mm bottom plates on models 5.2 - 6.9m, 6mm bottom plates on models 7m+
- ✓ 4mm side plates
- ✓ Level flotation (on models 6m and under)
- ✓ Transducer bracket
- ✓ Side storage pockets
- ✓ Heavy duty winch point
- ✓ 3-step ladder
- ✓ Side and rear hand rails
- ✓ Gunnel, side and rear buff rails
- ✓ Passenger hand rail and glove box
- ✓ Welded aluminium bung
- ✓ Marlin boards
- ✓ Transom door with magnetic catch
- ✓ Bow rail
- ✓ Dash anti-slide surround
- ✓ 2 x drop down rear cleats (1 each side)
- ✓ Welded aluminium front bollard
- ✓ Welded anchor well with drain
- ✓ Fixed bait board with 2x welded rod holders
- ✓ Self draining deck with 2x cast alloy scuppers
- ✓ Raised seat box and transom with battery storage in transom
- ✓ Single bow roller on models up to 6m, double on 6.1m+
- ✓ 6 x welded rod holders in side gunnels (3 each side)
- ✓ 2 x welded rod holders to front behind anchor well
- ✓ Welded aluminium under-floor fuel tank:
 - 4.8m+ = 165L, 6.1m+ = 200L, 7.0m+ = 250L, 8.0m+ = 300L
- ✓ Hard top roof with rod holders, overhead console & aerial bracket
- ✓ Bench seat with back rest and seat box storage
- ✓ Perspex windscreen with welded aluminium frame
- ✓ 5 year hull warranty

Consoles can be configured in a variety of different designs and sizes.

Runabout

Available in sizes ranging from 5.00 to 9.50 metres

This configuration boasts huge deck space and under dash storage with ample cover from the elements. The walk through centre window provides easy access to the bow. Representing excellent value for the general all rounder, achieving the big boat feel for a fraction of the cost.

STANDARD HULL FEATURES:

- ✓ 4mm bottom plates on models under 5.2m, 5mm bottom plates on models 5.2 - 6.9m, 6mm bottom plates on models 7m+
- ✓ 4mm side plates
- ✓ Level flotation (on models 6m and under)
- ✓ Transducer bracket
- ✓ Side storage pockets
- ✓ Heavy duty winch point
- ✓ 3-step ladder
- ✓ Side and rear hand rails
- ✓ Gunnel, side and rear buff rails
- ✓ Passenger hand rail and glove box
- ✓ Welded aluminium bung
- ✓ Marlin boards
- ✓ Transom door with magnetic catch
- ✓ Bow rail
- ✓ Dash anti-slide surround
- ✓ 2 x drop down rear cleats (1 each side)
- ✓ Welded aluminium front bollard
- ✓ Welded anchor well with drain
- ✓ Fixed bait board with 2x welded rod holders
- ✓ Self draining deck with 2x cast alloy scuppers
- ✓ Raised seat box and transom with battery storage in transom
- ✓ Single bow roller on models up to 6m, double on 6.1m+
- ✓ 6 x welded rod holders in side gunnels (3 each side)
- ✓ Welded aluminium under-floor fuel tank:
 - 4.8m+ = 165L, 6.1m+ = 200L, 7.0m+ = 250L, 8.0m+ = 300L
- ✓ Forward bulkhead shelf
- ✓ Folding targa bar with rod holders, aerial bracket and folding soft top roof
- ✓ Perspex windscreen with walk-through centre window
- ✓ 5 year hull warranty

Cuddy Cabin

Available in sizes ranging from 5.20 to 12 metres

The Cuddy Cabin is one of our most versatile designs and for this reason, our most popular. If you like the idea of combining camping and fishing with mates or the family then this configuration is the perfect choice for you. Boasting the biggest cabin space of all our designs, the cuddy is the most comfortable choice if you plan on sleeping aboard.

STANDARD HULL FEATURES:

- ✓ 4mm bottom plates on models under 5.2m, 5mm bottom plates on models 5.2 - 6.9m, 6mm bottom plates on models 7m+
- ✓ 4mm side plates
- ✓ Level flotation (on models 6m and under)
- ✓ Transducer bracket
- ✓ Side storage pockets
- ✓ Heavy duty winch point
- ✓ 3-step ladder
- ✓ Side and rear hand rails
- ✓ Gunnel, side and rear buff rails
- ✓ Passenger hand rail and glove box
- ✓ Driver and passenger step
- ✓ Welded aluminium bung
- ✓ Marlin boards
- ✓ Transom door with magnetic catch
- ✓ Bow rail
- ✓ Dash anti-slide surround
- ✓ 2 x drop down rear cleats (1 each side)
- ✓ Welded aluminium front bollard
- ✓ Welded anchor well with drain
- ✓ Fixed bait board with 2x welded rod holders
- ✓ Self draining deck with 2x cast alloy scuppers
- ✓ Raised seat box and transom with battery storage in transom
- ✓ Single bow roller on models up to 6m, double on 6.1m+
- ✓ 6 x welded rod holders in side gunnels (3 each side)
- ✓ Forward bulkhead shelf
- ✓ Lockable cabin door
- ✓ Perspex windscreen with welded aluminium frame
- ✓ Welded aluminium under-floor fuel tank: 4.8m+ = 165L, 6.1m+ = 200L, 7.0m+ = 250L, 8.0m+ = 300L
- ✓ Folding targa bar with rod holders, aerial bracket and folding soft top roof on models up to 6.9m
- Semi-hardtop on models 7-7.4m and Full hardtop with 5 panel fixed glass windscreen on models 7.5m+
- ✓ 5 year hull warranty

Islander

Available in sizes ranging from 5.50 to 12 metres

The Islander is a cross between the Centre Console and Cuddy Cabin configurations. It provides a roomy walk-around platform and casting deck at the bow, together with a cabin space for storage or overnight accommodation. Great for those who like to ride up front, and the keen fishers who like easy access to all areas of their vessel.

STANDARD HULL FEATURES:

- ✓ Models under 5.2m = 4mm bottom plates, 5.2 - 6.9 = 5mm bottom plates, 7m+ = 6mm bottom plates
- ✓ 4mm side plates
- ✓ Level flotation (on models 6m and under)
- ✓ Transducer bracket
- ✓ Side storage pockets
- ✓ Heavy duty winch point
- ✓ 3-step ladder
- ✓ Side and rear hand rails
- ✓ Gunnel, side and rear buff rails
- ✓ Passenger hand rail and glove box
- ✓ Driver and passenger step
- ✓ Welded aluminium bung
- ✓ Marlin boards
- ✓ Transom door with magnetic catch
- ✓ Bow rail
- ✓ Dash anti-slide surround
- ✓ 2 x drop down rear cleats (1 each side)
- ✓ Welded aluminium front bollard
- ✓ Welded anchor well with drain
- ✓ Fixed bait board with 2x welded rod holders
- ✓ Self draining deck with 2x cast alloy scuppers
- ✓ Raised seat box and transom with battery storage in transom
- ✓ Single bow roller on models up to 6m, double on 6.1m+
- ✓ 6 x welded rod holders in side gunnels (3 each side)
- ✓ 2x welded rod holders to front behind anchor well
- ✓ Forward bulkhead shelf
- ✓ Perspex windscreen with welded aluminium frame
- ✓ Lockable cabin door
- ✓ Welded aluminium under-floor fuel tank: 4.8m+ = 165L, 6.1m+ = 200L, 7.0m+ = 250L, 8.0m+ = 300L
- ✓ Folding targa bar with rod holders, aerial bracket and folding soft top roof on models up to 6.9m,
Semi-hardtop on models 7-7.4m and Full hardtop with 5 panel fixed glass windscreen on models 7.5m+
- ✓ 5 year hull warranty

Bowrider

Available in sizes ranging from 5.50 to 6.00 metres

The Bowrider is Genesis Craft's answer for water sports. It boasts a walk-through windscreen taking you through to up-front lounge seating and comes standard with our sporty looking ski tower. If you're looking for a renowned solid fishing platform, with a cruising and skiing aspect, then the Genesis Bowrider, with its sleek lines and sporty façade, is the perfect toy for you.

STANDARD HULL FEATURES:

- ✓ 4mm bottom plates on models under 5.2m, 5mm bottom plates on models 5.2- 6.9m, 6mm bottom plates on models 7m+
- ✓ 4mm side plates
- ✓ Level flotation (on models 6m and under)
- ✓ Transducer bracket
- ✓ Side storage pockets
- ✓ Heavy duty winch point
- ✓ 3-step ladder
- ✓ Side and rear hand rails
- ✓ Gunnel, side and rear buff rails
- ✓ Passenger hand rail and glove box
- ✓ 2x battery storage boxes with hatches
- ✓ Marlin boards
- ✓ Transom door with magnetic catch
- ✓ Bow rail
- ✓ Dash anti-slide surround
- ✓ 2x drop down rear cleats (1 each side)
- ✓ Welded aluminium front bollard
- ✓ Welded anchor well
- ✓ 6x welded rod holders in side gunnels (3 each side)
- ✓ Removable bait board with 2x welded rod holders
- ✓ Self draining deck with 2x cast alloy scuppers,
- ✓ Raised seat boxes and transom
- ✓ Single bow roller on models up to 6m, double on 6.1m+
- ✓ Welded aluminium under-floor fuel tank:
4.8m+ = 165L, 6.1m+ = 200L, 7.0m = 250L, 8.0m+ = 300L
- ✓ Ski tower
- ✓ Perspex windscreen with walk-through centre window
- ✓ Driver and passenger flip-back seats with slide, mounted on individual seat boxes with storage
- ✓ 5 year hull warranty

Tiller

Available in sizes ranging from 4.4 - 4.9 metres

The Genesis Craft Tiller is not your ordinary tinny. With marine grade 4mm bottom and side aluminium plates together with under floor strength and the right angles, this little beauty offers great stability, dryness and is super tough, ensuring confidence on the water.

Elysium

Jet Series

Prefer an inboard or Jet motor? Not a problem. Our qualified staff love to change things up and do something a little different. Here are some pictures of our 7.5m Jet Boat completed in 2020.

The background of the entire page is a large photograph of a silver Genesis Craft aluminium boat trailer. The trailer is shown from a side-rear perspective, highlighting its robust construction, dual axles, and the hydraulic winch system at the front. The brand name 'Genesis Craft Aluminium Boat Trailers' is visible on the side of the main beam.

Trailers

Available in models from 2.0 to 4.5 Tonne

The Genesis Craft welded aluminium trailer is the perfect accompaniment for any vessel. Over engineered and built with the highest quality structural aluminium beams, our trailers are built to last the test of time.

FEATURES & SPECIFICATIONS:

- ✓ Fully welded, super tough design
- ✓ Stainless steel fittings and break lines
- ✓ Checkerplate wheel arches with Custom Genesis Craft mudflaps
- ✓ Drive-on skid configuration (multi-roller option available)
- ✓ Checkerplate walkway (one side)
- ✓ Rated boat tie-down system
- ✓ LED lights
- ✓ Torsion axles with alloy rims and tyres (inc. spare)
(Can be configured with leaf spring suspension)
- ✓ 12 months registration

Model	Length	Brakes	Axle	Approx. Weight
GC2T	6.0 - 6.5m	Cable	Dual	580kg
GC3T	6.6 - 6.9m	Electric over Hydraulic	Dual	600kg
GC35T	7.0 - 8.0m	Electric over Hydraulic	Dual	680kg
GC4T	8.0 - 8.5m	Electric over Hydraulic	Dual	950kg
GC45T	8.5 - 10.0m	Electric over Hydraulic	Tri	1100kg

Whilst the majority of Genesis Craft trailers are built for Genesis boats, we can also manufacture them to suit almost any trailer boat. A perfect example is this GC35T we built for a 24ft Catamaran. We can even transfer your boat from your old trailer to your new one!

TESTIMONIALS

"Extremely capable, expertly crafted boats and trailers teamed up with the best service in town. Nothing is too hard for these guys."

"It was brilliant to be able to visit the factory during the construction of our boat and discuss key elements of the build process with Matt."

"The ride quality at the helm is as good as any ally boat I've been on."

"This is the second Genesis Craft I have owned and just love the comfort and stability when fishing."

"We've had it for 6 years now and love it to bits."

"Certainly a head turning boat and a pleasure to fish and dive out of."
